

# trusscore

material + science

## OVERVIEW

Trusscore Wall & Ceiling Board, made from a high-strength PVC formulation that offers a sustainable alternative to traditional drywall and fiberglass reinforced plastic (FRP) systems. These lightweight panels feature a unique tongue and groove interlocking system for swift installation, while their inner truss design ensures remarkable strength and durability.

## RESIDENTIAL APPLICATIONS:

- Basements
- Storage & Organization
- Laundry Rooms
- Garages
- Sheds
- Docks
- Multi-Residential Facilities

## BENEFITS:

- Cost-effective vs other wall systems like painted drywall
- Can be used for new construction or retrofit
- Hidden fasteners & pre-punched screw flange
- Highly resistant to chemicals and unaffected by moisture
- Class A fire performance (ASTM E84/ULC S102)

# TECHNICAL SPECIFICATION

## BOARD DIMENSIONS

### LENGTHS

8', 10', 12', 14',  
16', or 20'

(244 cm, 305 cm, 366 cm,  
427 cm, 488 cm, 610 cm)

### NOTE:

- Wall panels to be installed vertically whereas Ceiling panels to be installed horizontally.

### Pipe, Valves and Fittings

Fabco Plastics stocks the widest range of plastic pipe and fittings in the industry. We carry pipe up to 24" in diameter and lead the industry when it comes to highly engineered specialty piping systems. We are Canada's largest supplier of plastic valves from the world's leading manufacturers including Chemkor, Chemtrol, Georg Fischer and Hayward.

### Ventilation Duct and Fittings

Fabco Plastics Instaduct® makes the designing, assembling and installing of Industrial Fume Exhaust systems much easier. Our belled-end PVC Fittings and extruded Duct Pipe are seamless and quick connecting. Fabco's HF thermoplastic radial fans are designed specifically for exhausting aggressive, low-aerosol gases, explosive atmosphere and ultraclean air. For humid and corrosive environments, we can supply a complete PVC and CPVC ventilation systems.

### Flexible Tubing and Fittings

Our inclusive catalogue of hose and flexible tubing and fittings are sure to meet your challenging requirements. All tubing is available from 1/8" diameter to 2" diameter with a wide variety of pressure ratings and coil lengths.

### Sheet, Rod and FRP Grating

Our plastic sheet and rod come in a variety of materials including PVC, CPVC, HDPE, LDPE, UHMW, PP, PVDF and more. Fabco's complete line of sheet products are each up to 4" thick and rod is up to 14" in diameter. We will cut sheets to your specifications and provide custom-machined components as well. We also have extensive experience in the composites industry and our material of choice is Fiberglass Reinforced Plastics (FRP). We offer grating and other FRP products in three corrosion-resistant resins.

### Scrubber Packing

Fabco Plastics offers scrubber packing in Tri-Packs, rings and saddles. We have more than a dozen different plastics to meet your stringent chemical and heat-resistance requirements. All our packing media maximizes the transfer of mass and heat with minimal pressure drop. Scrubber packing is available in an assortment of plastic, stainless steel and ceramic materials.

### Liquid Monitoring

Fabco Plastics offers a full versatile line of Flowmeters and Instrumentation to suit your applications.

### Tanks

We carry a full line of plastic tanks in a variety of configurations to meet the requirements of extremely demanding applications. Our rugged, naturally coloured tanks are available in a wide range of sizes from 15-16,500 gallons. All of our tanks are rotationally moulded from HDLPE or XLPE for years of trouble-free service.

### Pumps and Filtration

Fabco Plastics stocks a wide range of pumps in various sizes and material both in AODD and Magnetic Drive. We also stock an extensive line of Y strainers and bag, basket, cartridge filters

**Fabco Plastics supplies new and innovative products to a growing list of industrial and commercial market segments. We are committed to staying on the industry's leading edge and continue to provide products and services that create simplicity and efficiency for our customers. We offer the following:**

- **Commitment to Customer Satisfaction**
- **Quality products, service and technical expertise**
- **Fast delivery across Canada direct to your office or job site**
- **Off-the-shelf or custom-fabricated product to suit your particular requirements**
- **Over 20,000 products in stock**
- **Competitive and firm pricing**
