

Fittings and Ducting

HVAC/Ducting Advantages

- Less expensive and better corrosion than stainless steel
- Lighter and faster to install than t316, t304 and Galvanized
- Machine Made offers many benefits over traditional, fabricated fittings

MATERIALS

PVC, CPVC, and Polypropylene ensuring a high level of corrosion resistance and a temperature rating of up to 220° F as well as fire retardant or with abrasive airborne particulate.

UNIFORM DESIGN

Aesthetically Favored Appearance, matches more closely the uniformed profile of Machine Made Duct Extrusions

SMOOTH INTERIOR WALLS

Unimpeded flow, providing reduced Bacterial and Biological sediment build up as well as reduced Turbulence and Static Pressure.

HOMOGENEOUS ONE PIECE CONSTRUCTION

Stronger Unified Fitting, Lighter weight.

TIGHTER RADIUS ON BENDS

Less physical space required.

NON-CONTAMINATING

For purity applications.

PRODUCT AVAILABILITY

Fittings from 6" through 24" diameter.

Pipe, Valves and Fittings

Fabco Plastics stocks the widest range of plastic pipe and fittings in the industry. We carry pipe up to 24" in diameter and lead the industry when it comes to highly engineered specialty piping systems. We are Canada's largest supplier of plastic valves from the world's leading manufacturers including Chemkor, Chemtrol, Georg Fischer and Hayward.

Ventilation Duct and Fittings

Fabco Plastics Instaduct® makes the designing, assembling and installing of Industrial Fume Exhaust systems much easier. Our belled-end PVC Fittings and extruded Duct Pipe are seamless and quick connecting. Fabco's HF thermoplastic radial fans are designed specifically for exhausting aggressive, low-aerosol gases, explosive atmosphere and ultraclean air. For humid and corrosive environments, we can supply a complete PVC and CPVC ventilation systems.

Flexible Tubing and Fittings

Our inclusive catalogue of hose and flexible tubing and fittings are sure to meet your challenging requirements. All tubing is available from 1/8" diameter to 2" diameter with a wide variety of pressure ratings and coil lengths.

Sheet, Rod and FRP Grating

Our plastic sheet and rod come in a variety of materials including PVC, CPVC, HDPE, LDPE, UHMW, PP, PVDF and more. Fabco's complete line of sheet products are each up to 4" thick and rod is up to 14" in diameter. We will cut sheets to your specifications and provide custom-machined components as well. We also have extensive experience in the composites industry and our material of choice is Fiberglass Reinforced Plastics (FRP). We offer grating and other FRP products in three corrosion-resistant resins.

Scrubber Packing

Fabco Plastics offers scrubber packing in Tri-Packs, rings and saddles. We have more than a dozen different plastics to meet your stringent chemical and heat-resistance requirements. All our packing media maximizes the transfer of mass and heat with minimal pressure drop. Scrubber packing is available in an assortment of plastic, stainless steel and ceramic materials.

Liquid Monitoring

Fabco Plastics offers a full versatile line of Flowmeters and Instrumentation to suit your applications.

Tanks

We carry a full line of plastic tanks in a variety of configurations to meet the requirements of extremely demanding applications. Our rugged, naturally coloured tanks are available in a wide range of sizes from 15-16,500 gallons. All of our tanks are rotationally moulded from HDLPE or XLPE for years of trouble-free service.

Pumps and Filtration

Fabco Plastics stocks a wide range of pumps in various sizes and material both in AODD and Magnetic Drive. We also stock an extensive line of Y strainers and bag, basket, cartridge filters

Fabco Plastics supplies new and innovative products to a growing list of industrial and commercial market segments. We are committed to staying on the industry's leading edge and continue to provide products and services that create simplicity and efficiency for our customers. We offer the following:

- **Commitment to Customer Satisfaction**
- **Quality products, service and technical expertise**
- **Fast delivery across Canada direct to your office or job site**
- **Off-the-shelf or custom-fabricated product to suit your particular requirements**
- **Over 20,000 products in stock**
- **Competitive and firm pricing**
