Fabco Plastics carries the Largest Inventory of Industrial Plastic Sheets, Rods and Shapes in Canada. Fabco's cross nation warehouse locations can provide product availability and technical assistance for all your needs. Call us or view our product selections on line. We carry PVC and CPVC , PVDF and Polypropylene materials for manufacturing components used in high corrosion applications – Polyethylene for rugged wear resistant applications in Marine, Forestry and Food - Copolymers for Medical and Orthotics - Polycarbonates and Acrylics for Commercial and Glazing.

PVC sheet has excellent corrosion resistance and weather resistance. The working temp is 33ºF - 160ºF. and the forming temperatures of 245ºF. PVC is the most widely used member of the vinyl family and it is excellent when used for corrosion-resistant tanks, ducts, fume hoods and pipe. PVC is ideal for self-supporting tanks, fabricated parts, tank linings and spacers. PVC is not UV stabilized and has a tolerance of +/- 10%.

PLASTICS FOR TODAY'S INDUSTRIES
info@fabcoplastics.com

Canada's largest wholesaler of industrial and commercial plastics with over 20,000 items in stock ready to ship!

Pipe, Valves and Fittings

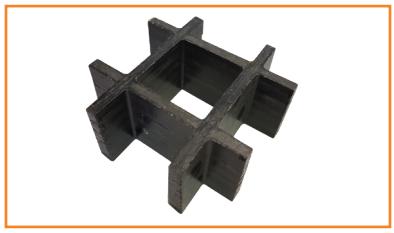
Fabco Plastics stocks the widest range of plastic pipe and fittings in the industry. We carry pipe up to 24" in diameter and lead the industry when it comes to highly engineered specialty piping systems. We are Canada's largest supplier of plastic valves from the world's leading manufacturers including Chemkor, Chemtrol, Georg Fischer and Hayward.

Ventilation Duct and Fittings

Fabco Plastics Instaduct© makes the designing, assembling and installing of Industrial Fume Exhaust systems much easier. Our belled-end PVC Fittings and extruded Duct Pipe are seamless and quick connecting. Fabco's HF thermoplastic radial fans are designed specifically for exhausting aggressive, low-aerosol gases, explosive atmosphere and ultraclean air. For humid and corrosive environments, we can supply a complete PVC and CPVC ventilation systems.

Flexible Tubing and Fittings

Our inclusive catalogue of hose and flexible tubing and fittings are sure to meet your challenging requirements. All tubing is available from 1/8"diameter to 2" diameter with a wide variety of pressure ratings and coil lengths.



Sheet, Rod and FRP Grating

Our plastic sheet and rod come in a variety of materials including PVC, CPVC, HDPE, LDPE, UHMW, PP, PVDF and more. Fabco's complete line of sheet products are each up to 4" thick and rod is up to 14" in diameter. We will cut sheets to your specifications and provide custom-machined components as well. We also have extensive experience in the composites industry and our material of choice is Fiberglass Reinforced Plastics (FRP). We offer grating and other FRP products in three corrosion-resistant resins.

Scrubber Packing

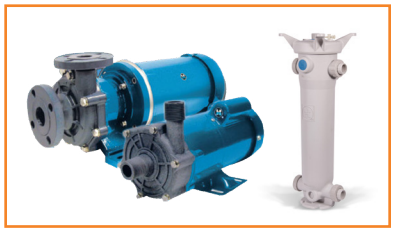
Fabco Plastics offers scrubber packing in Tri-Packs, rings and saddles. We have more than a dozen different plastics to meet your stringent chemical and heat-resistance requirements. All our packing media maximizes the transfer of mass and heat with minimal pressure drop. Scrubber packing is available in an assortment of plastic, stainless steel and ceramic materials.

Liquid Monitoring

Fabco Plastics offers a full versatile line of Flowmeters and Instrumentation to suit your applications.

Tanks

We carry a full line of plastic tanks in a variety of configurations to meet the requirements of extremely demanding applications. Our rugged, naturally coloured tanks are available in a wide range of sizes from 15-16,500 gallons. All of our tanks are rotationally moulded from HDLPE or XLPE for years of trouble-free service.



Pumps and Filtration

Fabco Plastics stocks a wide range of pumps in various sizes and material both in AODD and Magnetic Drive. We also stock an extensive line of Y strainers and bag, basket, cartridge filters

Fabco Plastics supplies new and innovative products to a growing list of industrial and commercial market segments. We are committed to staying on the industry's leading edge and continue to provide products and services that create simplicity and efficiency for our customers. We offer the following:

- **Commitment to Customer Satisfaction**
- **Quality products, service and technical expertise**
- **Fast delivery across Canada direct to your office or job site**
- **Off-the-shelf or custom-fabricated product to suit your particular requirements**
- **Over 20,000 products in stock**
- **Competitive and firm pricing**
